Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Sunday 13 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Variable cloud, but remaining warm and humid into Monday.

This Evening and Tonight:
A dry and mostly clear night, but with some lingering cloud. Warm and humid for many, without much in the way of wind to take the edge off. Minimum temperature 12 deg C (54 deg F).

Monday:
A weakening band of cloud arriving from the northwest may bring the odd spot of rain with it. Otherwise, largely dry and very warm with clouds melting away by evening. Maximum temperature 25 deg C (77 deg F).

Outlook for Tuesday to Thursday:
Largely fine on Tuesday, although marginally cooler. Cloudy skies and showers move in later Wednesday, bringing a risk of thundery showers for the rest of the period.
